

WAVE SERIES

WAV 60 THE MOBILITY REVOLUTION

The WAV® Work Assist Vehicle changes the way you work for the better. Beyond boosting productivity, the Wave provides significant savings opportunities through greater efficiency, task flexibility and preventative safety measures.

Crown's Wave offers superior value with exceptional productivity, flexibility and safety. Discover why it's time for the Wave.

Productivity

The Wave with AC motors and controls, allows operators to accomplish more with maximum speeds at 5 mph. While traveling, simultaneously lift to the appropriate heights in one smooth, seamless operation.

Safety

The Wave offers the best safety features in the industry, including hand sensors, interlocking gates, foot pedals and sensors below the operator compartment.

Flexibility

The Wave is available with an optional Power Load tray which allows the operator to automatically adjust the load tray to adapt to virtually any application.

Savings

The Wave delivers significant savings opportunity through greater efficiencies, task flexibility, improved safety and lower total costs.

Technology

The Wave now features Access 1 2 3® Comprehensive System Control. The system monitors and controls the Wave's operation while providing operators with prompting messages.

Rolling ladders are a thing of the past, **it's time for the Wave.**
